India's Beloved Bike Taxi Service

We are not an option, we are a choice

We're #1 choice of 10 Million people because we're the solution of India's intra-city commuting problems. With assured safety, we also provide economically priced rides.

Safety for all means looking out for our riders

We'll always treat you with respect and look out for your safety. We do this by maintaining high standards, which start before your very first ride. Our proactive safety features are always on. And anytime, night or day, we offer real help from real humans.
